Common Grant Application**

COMMON GRANT APPLICATION FORM INFORMATION FOR GRANTSEEKERS

The Common Grant Application Form was developed by a committee of the Pacific Northwest Grantmakers Forum to facilitate the application process for grantmakers and grantseekers within its region. It is designed either to be completed by typewriter and copied, or completed and stored on your agency's computer.

The following checklist outlines the sequence of steps to complete an application:

- Study the guidelines, please refer to the current Pacific Northwest Grantmakers Forum Member Directory to determine whether your project or program matches the interests of the funder(s) you wish to contact, and to find out how to obtain guidelines. (The Directory can be purchased through the Pacific Northwest Grantmakers Forum office, and is available at the downtown branch of the Seattle Public Library and all Foundation Center funding resource collections in Alaska, Idaho, Montana, Oregon and Washington.)
- Note any requirement **in addition to** what the common application form requires (e.g., number of proposal copies, application deadlines, etc.). For some organizations, you **must** first write a letter of inquiry requesting an application form (see lists below).
- Applications must be accompanied by a cover letter (no more than one page) in which you state your request and proposed use of funds. This letter should be signed by your executive director **and** your board president.
- Fill out the application form completely.
- Complete the narrative section on page three. Please, no more than four pages total (type no smaller than ten point, margins no smaller than one inch).
- Enclose all the supporting material requested on page four.
