

THE COMMUNITY FOUNDATION
GRANT REPORT FORM

If the grant funds have not been spent and the grant purpose not completed, please provide the following information on a separate sheet. Please explain what has been done to date, what your future plans are for the project, and any changes that have been made to the original project. The information in Sections I and III must also be made part of your report.

If the grant funds have been spent and the grant purpose completed, please complete the Grant Report Form in its entirety. Feel free to transfer this form to a computer. Any funds that were not used for the purpose designated must be returned with this report.
